MEMORANDUM

SUBJECT: Stakeholder Meetings with California Air Resources Board (CARB)

FROM: Robin Moran, Senior Policy Advisor
Assessment & Standards Division

TO: Docket EPA-HQ-OAR-2018-0283: Safer Affordable Fuel-Efficient (SAFE)
Vehicles Rule for Model Years 2021-2026 Passenger Cars and Light Trucks

This memo documents two meetings held with CARB and EPA to discuss the SAFE proposed rule.

On August 29, 2018, representatives of CARB met with federal officials from EPA, the National Highway Traffic Safety Administration (NHTSA) and the White House Executive Office of the President to discuss the proposed SAFE Vehicles Rule. Following the meeting, the agencies issued the following joint Twitter statement:
